

**KAEDAH INSTALASI SSL CERTIFICATE
MANUAL PENGGUNA**

PANDUAN PEMASANGAN SSL CERTIFICATE UNTUK MOZILLA FIREFOX / INTERNET EXPLORER / GOOGLE CHROME (MENGUNAKAN FAIL BATCH)

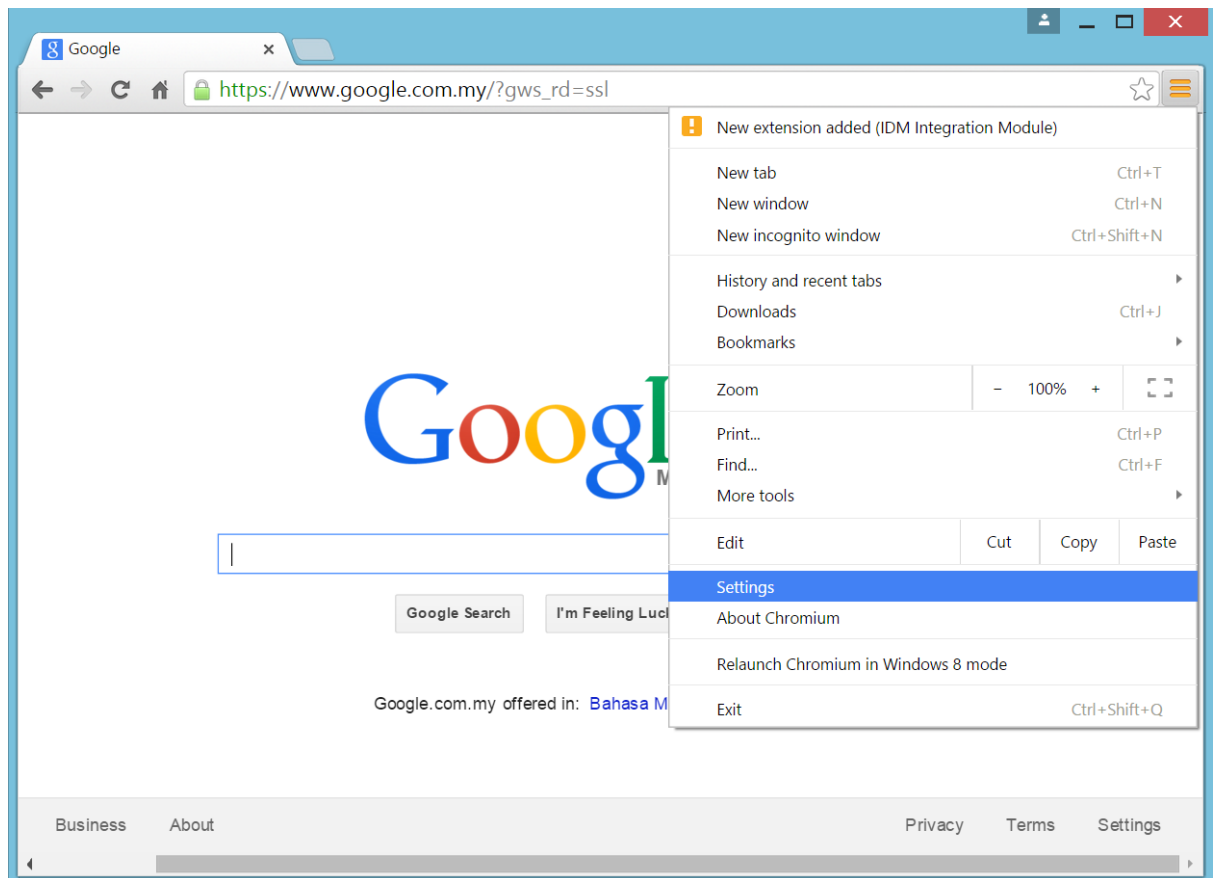

1. Muat turun fail *SSL certificate* daripada pautan yang disediakan.

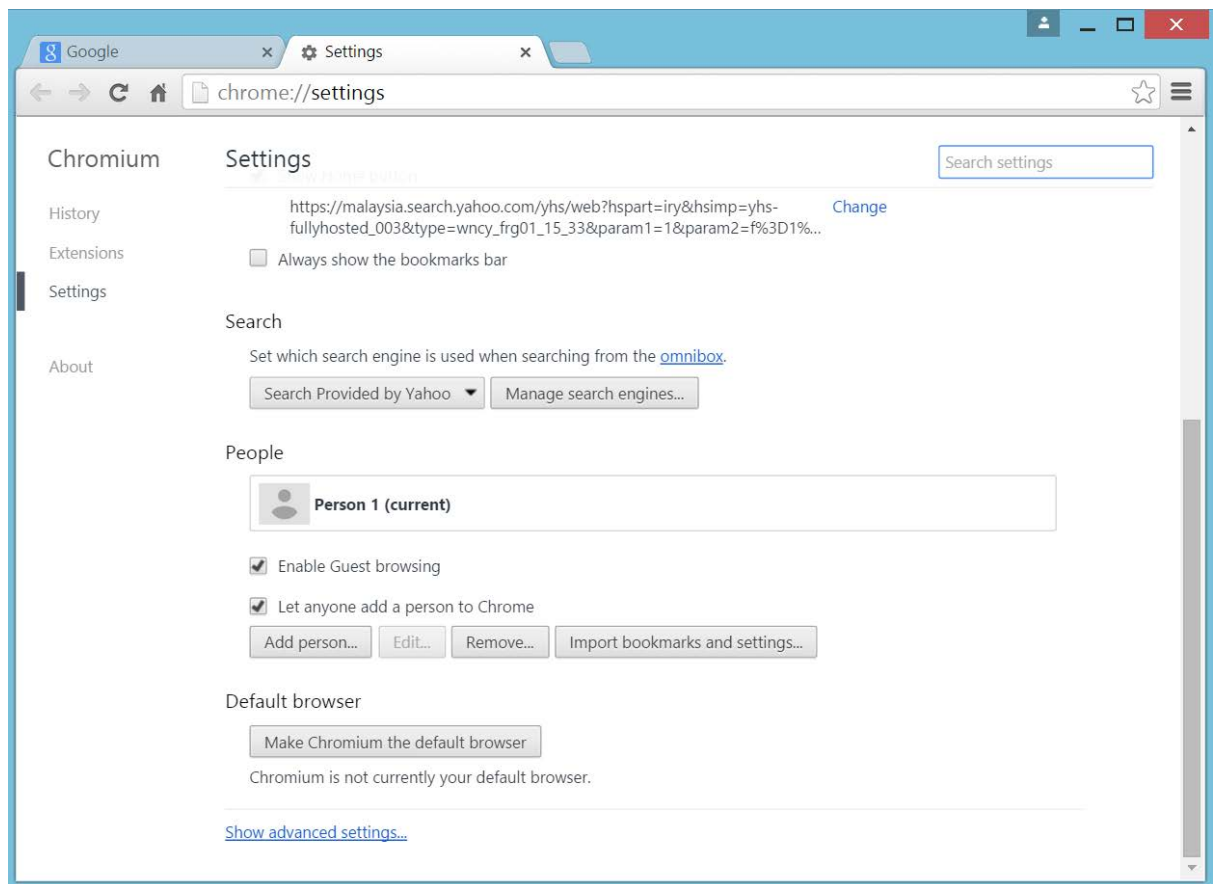

2. Klik sebelah kanan dan pilih *Run as administrator*.

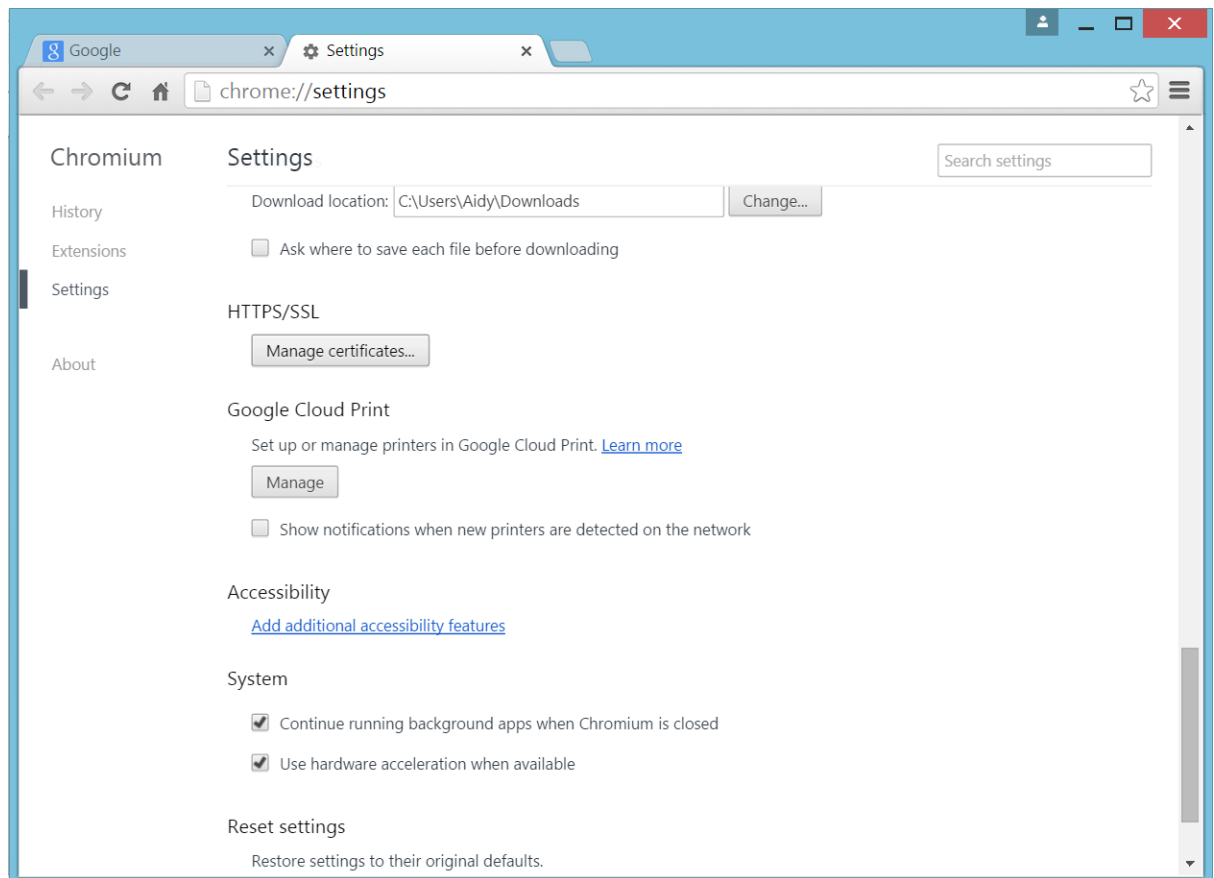

3. Pergi ke **Settings**.

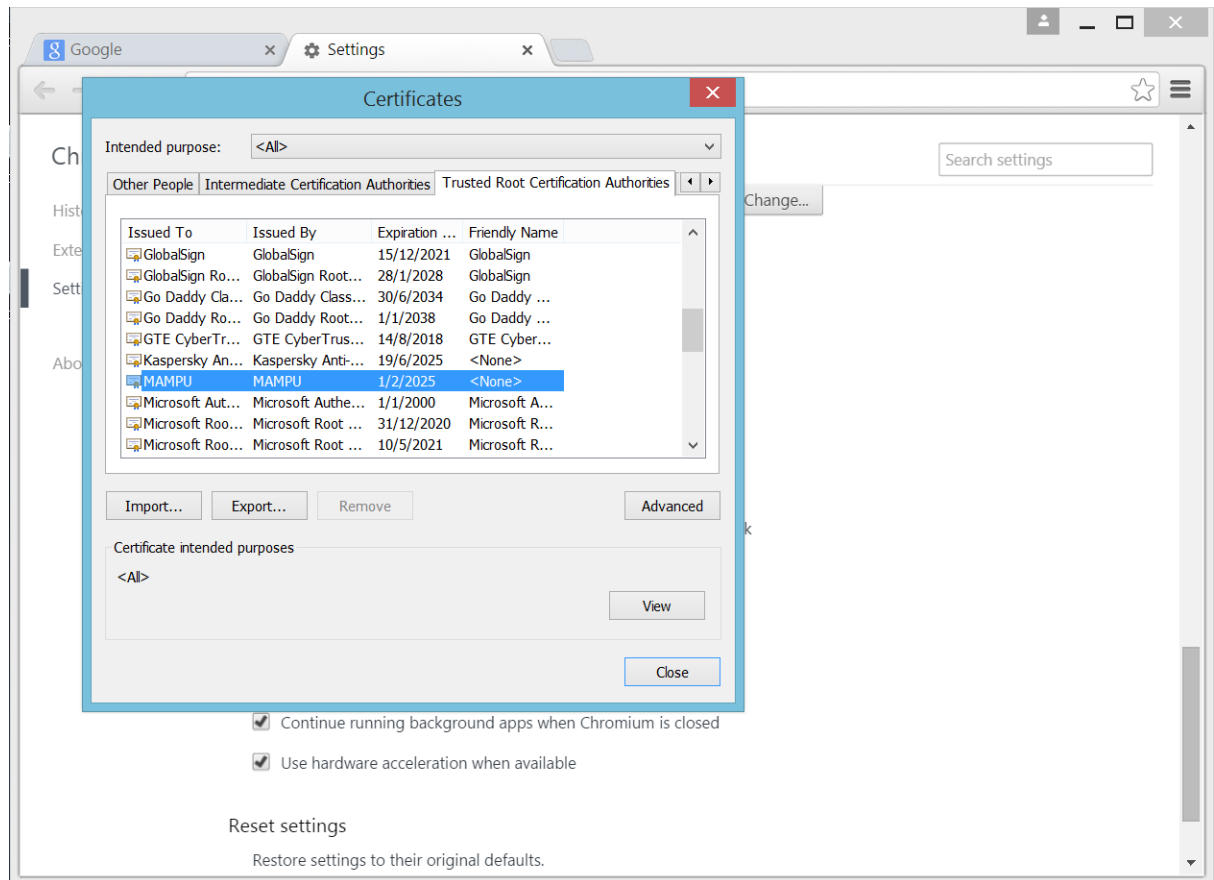

4. Pergi ke **Show advanced settings**.

5. Pergi ke butang **Manage certificates** di bawah bahagian **HTTPS/SSL**.

6. Pergi ke bahagian **Trusted Root Certification Authorities** untuk semak *certificate* yang telah dipasang.

7. Teruskan ke laman web HTTPS. Lihat kunci ikon untuk mengesahkan.
